Subject: Appreciation letter for successful completion of "Arc flash study project in Carboline plant, Tamil Nadu

On behalf of the Carboline India Private limited, we would like to express our appreciation to Sathish Kumaran TS and Power Projects team for their outstanding efforts and commitment towards on-time delivery shown in the "Arc flash study project in Carboline plant, Tamil Nadu". We appreciate the team's efforts right from data collection at the site to submission of the final report. They have executed the project successfully in accordance with the contractual conditions and schedule.

The scope of the project includes

- Arc flash Analysis in ETAP 22
- PPE level recommendations &
- Providing Arc flash labels

Congratulations to Power Projects, we look forward to the future collaboration with Power Projects for any upcoming projects.

Best regards,

Carboline Private India Limited
